To all Parents and Guardians of students Starting School September 2021.

Dear Parent or Guardian

Re: Question and Answer Sessions with the Access to Education Team

In previous years, you would have had the opportunity to meet with our team at your child's pre-school or coming to meet us at the town hall where you would have received advice and support in regards to your child's starting school application. Unfortunately due to the current circumstances this year we have made changes to how we can still offer support.

This year we are providing five online 'ZOOM' sessions. These sessions will consist of a short slide show presentation, followed by question and answers. During the session you will be able to type your questions or ask the team directly.

You need only attend one session and we hope that you are able to attend one of the following dates.

The dates, times and links to those sessions are included below

Monday 23rd November 6.30 – 7.30pm

There is no need to book onto a session, please simply join us on the day by-

- typing <https://zoom.us/> into your search engine
- click on **'join a meeting'**
- Then copy and paste the link positioned under the date and time of the session you have chosen from this letter, into the search box.
- You will then find yourself in the zoom lobby, where you will need to wait until a member of our team invites you into the session

We look forward to seeing you.

Yours sincerely
