

## Addendum 1

### Behaviour Policy

Home school agreement to be completed prior to any child returning to school.

MPS recognise that many of the pupils and staff returning to school during this pandemic will be emotionally, physically and mentally fragile. In order to protect staff and pupils during these difficult times, it is imperative that all pupils and parents understand that any of the following behaviours are likely to lead to exclusion (fixed term or permanent depending on the severity of the incident). These behaviours include, but are not exclusive to:

1. Spitting
2. Coughing on purpose in order to cause alarm
3. Saying upsetting things to staff or pupils especially relating to Covid-19\*
4. Deliberately breaking rules especially those relating to social distance measures
5. Not following instructions
6. Leaving designated areas without the express permission of an adult\*
7. Contravening any measures put in place to protect staff and pupils '
