

Addendum 2

Clubs

The following clubs are available to support our working parents. In order to keep the numbers manageable, proof of employment will be requested.

Breakfast Club & Extended Club (Mon-Thurs)

Both clubs will be run from the Lower school hall. The hall will be split into zones. Siblings sit together in a family bubble in the first instance, the remaining children stay in year group bubbles.

Friday Extended Club

This club will be run from the Sports hall. The hall will be split into zones. Siblings sit together in a family bubble in the first instance, the remaining children stay in year group bubbles.

All external providers who are offering enrichment activities are notified of the bubble allocations before working with the children.
