ASSISTANT HEADTEACHERS: MISS S AKHTAR; MRS D HART; MRS H LEECH

Dear Children,

As you know, all schools in the country are now closed until further notice, **for the majority of pupils**. This is something that we hoped would not have to happen but we are all remaining positive that we will be back together very soon. The government took this decision so that you can remain safe.

From today we are all going to be learning in a different way; some of you will be able to access your learning through the school website and some of you will receive resource packs which will be delivered by your very kind and hard-working teachers, teaching assistants and support staff. Please do some work every day as it will be good for you as well as making sure you don't fall behind in your learning.

Many of you may be worried about what you see and hear on the news, but please be assured our wonderful doctors, nurses and scientists are working very hard to make people better and to find a cure for this virus. We will get through this!

If you are worried about anything, don't forget that you can call the NSPCC for free on 0800 1111.

We look forward to welcoming you back to school, safe and well very soon. Keep busy, keep learning and, above all else, keep cheerful! Please also remember to look after your neighbours but be sensible about being safe.

We will be thinking about you every day until we can welcome you back to school.

From Mrs Campion and all the staff at Maidenhall Primary School
