

3rd September 2021

Dear Parents/carers

A warm welcome back to everyone! As always, it was lovely to see everyone at the start of a new academic year. The children look very smart in their uniform and we hope this continues. We will be expecting all children to wear the correct school and PE uniform.

We hope that you all managed to enjoy some quality family time together although the weather was not that great.

You will be receiving newsletters to inform you about your child's curriculum this half term with suggestions as to how to help them continue their learning at home. We hope you find this information useful. You will also be invited to apply for places at various after school clubs so please keep an eye on your Weduc notifications. We don't want anyone to miss out on these opportunities!

We were hoping that we would not need to talk about COVID this term but, unfortunately, we do still have to have some measures in place. The biggest change is that children will not need to isolate if they have been in close contact with someone who has COVID so, fingers crossed, we will not have to close bubbles! If your child is showing ANY symptoms, please arrange a PCR test and keep them off school until you know the result and/or your child is feeling better.

We plan to introduce more parent workshops/information sessions this year so we look forward to seeing you in school! We will be sending out a document via Weduc so you can see what we can offer but please let us know if there are any other sessions that you would find useful.

Just a reminder that children need to be in class by 8:40am (doors open at that time) and all classes end at 3:10pm (except Fridays when we have the 1pm finish).

Please check the INSET days and holidays. As the children have missed so much school over the last two academic years, it is vital that they come to school every day. Remember, we have our first INSET on **Wednesday**, 13th October.

As always, members of the Senior Leadership team will be on the playground most mornings and some afternoons so please have a chat with us. We are happy to answer any questions you may have.

We are all looking forward to working together with you so that we can have yet another successful term.

Kind regards

Mrs Campion and the SLT
