CHRISTIAN DIOR

Assignment
for class
year 6

Who was Christian Dior?

Christian Dior was a French fashion designer who ruled the fashion world during world war two.

Why is Christian Dior so famous?

He is famous for being the most influential designer of the late 1940s and 1950s.

What did he struggle with?

In 1957, Dior traveled to Italy. While there, on October 23, 1950, he suffered what was his third heart attack and died, at the age of 52.

FAMOUS DESIGNER KARL BENZ

He is considered to be the designer of the first motor vehicle to be powered by internal combustion engine.

Karl Benz's first car was called the Benz Patent motorwagen.

He was the founder of Mercedes-Benz.

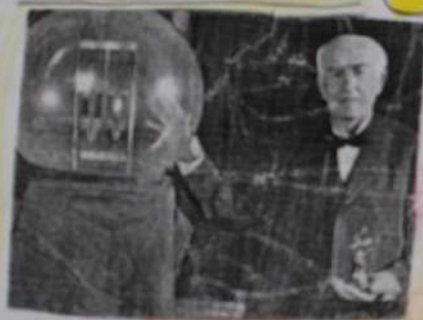

He built the world's first car in 1885.

A German car and engine designer.

The Lightbulb Inventor

Thomas Alva Edison was one of America's greatest inventors. He was born 11th February in 1847. Thomas Edison created the first "commercially practiced incandescent light". Thomas teachers said he was "too stupid to learn anything". He was fired from his first two jobs for being "non-productive". One lesson to learn from Edison is that even though he may have failed Edison never gave up. And today is considered one of the greatest inventors! The light bulb is still used world wide. Consider one of the best inventions. Sadly, Thomas Edison passed away on 18th October 1931 aged 84.
