Friday 13th May

Well done Year 6!

SATs completed for Key Stage 2

Firstly, I would like to apologise for not being out on the gate in the mornings as much this week. We have all been busy supporting Year 6 with their SATs and this included offering breakfast to them from 8am each day. It isn't possible to list all the people to thank for their hard work and assistance during this week - the whole team pulled together to ensure that the children were organised, calm and well prepared for their SATs.

One of the best parts of my role is having visits from children who are especially proud of a piece of work or a behaviour they have shown in school. Below, you will see a wonderful poem which was written by Ayan Z in Leopard class, Year 2, inspired by their class book 'The Cat In The Hat'.

Have a wonderful weekend- let's hope there is some sunshine!

Mrs Seabourne

*It was raining,
It felt like we were aging,
But the cat in the hat
He came in on the mat.*

*He said he liked to play,
In the day,
He balanced on a ball,
On his hand, the fish so small.
A teacup, a cake on his hat.
Everything was well
Until everything fell!*

*Our mother was almost here,
We had to make it clear!
When it was all clear
Our mother was here,
At least the cat was gone, phew.*

Plans at Maidenhall

During the week beginning the 23rd May, the children will be taking part in some exciting activities to celebrate The Queen's Platinum Jubilee.

Each child will be taking part in a 'plate designing workshop' as we have booked for a company to come in and work with every class. Your children will get to create (and keep!) a commemorative plate.

On Friday 27th May, we will be holding a 'Jubilee Street Party'. The kitchen staff have created a street party menu which will be sent out in next week's newsletter and all children will be out on the field to share lunch together.

We will be inviting the children to come in wearing red, white and blue or as a 'royal prince/princess' on the Friday instead of school uniform.

Whole school homework

Above are some wonderful examples of our children's home learning based on the theme of 'favourite authors and favourite books'. Remember to check Google classroom every Friday for the new homework challenge!
