Phonics and Literacy
Children will continue their learning through Read Write Inc. They will continue to increase their exposure to vocabulary through Talk Through Stories and keep building the fluency of their own reading. Our first story will be Lost and Found.

At Home
Children will have 2 reading books and library book to read each week. Please read with your child every day and fill in the reading record.

Maths
Children will build on their existing knowledge of counting forwards and backwards. They will also be adding and subtracting numbers up to 20 using practical resources. They will learn about grouping 10s and their understanding of 1 ten being equal to 10 ones.

At Home
Encourage children to count at home.

Science

In Science, the children will learn about our different seasons and how light and plant growth change across each season. This will include temperature and how the temperature increases and decreases across the year.

Computing
Children will use the Purple Mash app to become more familiar with the types of resources on there and how they can be used. They will learn how to log in safely and the importance.

Talk Through Stories

Lost and Found

The Extraordinary Gardener

The Scarecrow's Wedding

How to grow a plant

Handa's Hen

Six Dinner Sid

Food and Farming

I love my garden poem.

Year 1 Autumn Term

RE

Children will learn about the Christian faith. They will learn about some Bible stories to help their understanding of God. They will explore prayer, praise, saying sorry and that God is fair and forgiving.

Geography
In this unit the children will develop locational knowledge based on the view from the school and local walks. They will build place vocabulary to define where they live, which is deepened through fieldwork experiences and using maps.

PE
The children will begin to learn about and develop ball skills with a focus on throwing, catching and awareness of others. This will be applied to games as skills develop.

Art

In Art, the children will be developing skills of colouring and shading night and day. Children will use painting, sketching and sculpture to develop ideas from their imagination.

PSHE
The Children will show an understanding of their own feelings and those of others, and begin to regulate their behaviour accordingly. They will show sensitivity to their own and to others' needs.

Music
The children will be listening to and appraising a variety of songs by different artists. They will learn to sing a hip-hop song and develop skills of beats, tone, pulse and rhythm.
