Dear Parents and Carers,

The term seems to be rushing past. We are already half way to half-term! In Year 6 in art, the children practised a technique called chiaroscuro. This means 'light and dark' in Italian. The children used masking tape, charcoal and pastels to make 2D letters become 3D letters! The words they created are from the Maya calendar. They had lots of fun with this task!

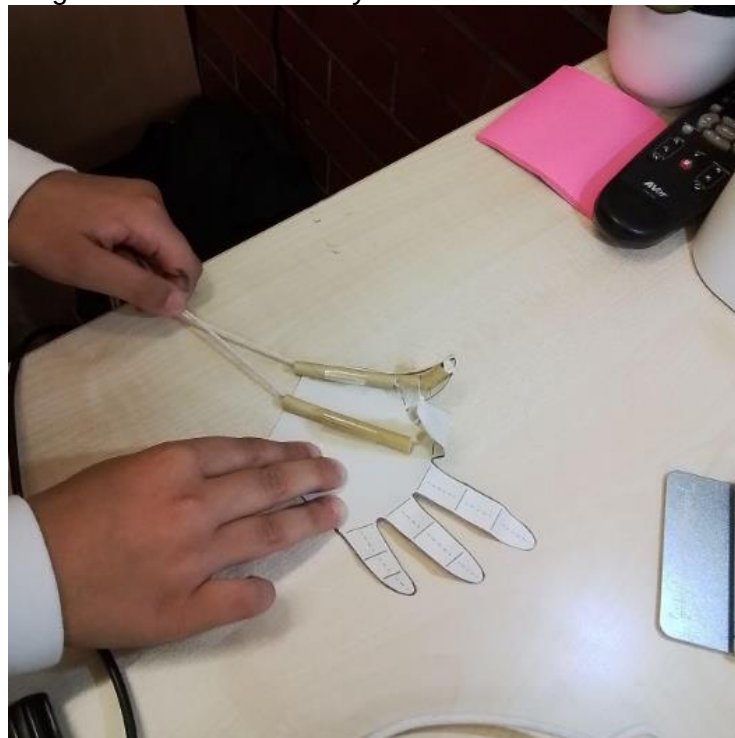

In Year 5, the children voted for their class school council members. These are important positions, as the children will need to show responsibility and leadership in their roles. They will also need to be great role models for the class and school!

In Year 4, the children had fun working collaboratively investigating which electronic devices can be found in their classrooms. They then organised their findings into different areas such as manual devices, smart electronics and electric.

In Year 3 the children have been learning about how the muscles in our bodies work together to help us move. The children had fun making a model hand to demonstrate how tendons help bones move and how muscles change shape to create movement. It was fantastic to see the children putting their learning into practice through this hands-on activity!

In Year 2 this week, the children were celebrating their good attendance! Well done to the 100% attendance club in Zebra class. We need more members next week!

In Year 1, the children have been developing their understanding of numbers 6, 7, 8 and 9 using rekenreks. They have been practising subitising and then working out how many more they need to make each number. The children did very well!

In Reception this week, the children have been enjoying being creative. They had so much fun completing an exciting obstacle course for PE!

In The Hub this week, the children have enjoyed learning about hot and cold water. The children enjoyed playing in the different trays. In class we spoke about where we find hot and cold water like in a bath or a puddle. Good work!

In the Nurture Hub this week, the children enjoyed listening to the singing of "Old Mcdonald had a farm" in story time. The children engaged in taking part in activities that involved playing with the farm animals in small world play and did some animal footprints using paints. They had lots of fun!

I hope you have a lovely weekend.

Yours sincerely,

James Adkins

James Adkins, Headteacher

Star of the week!

Congratulations to the following children:

Child's Name	Class
Amaya	Armadillo
Zaina	Camel
Hashim	Otter
Musa	Penguin
Mohammed	Leopard
Zoya	Turtle
